# The Love You Save

Par Michael Jackson

*Album : The Motown Years 50*

Stop! Na na na! You'd better save it

Stop, stop, stop, you'd better save it

When we played tag in grade school

You wanted to be It

But chasing boys was just a fad

You crossed your heart you'd quit

When we grew up you traded

Your promise for my ring

Now just like back to grade school

You're doing the same old thing

**Stop! The love you save may be your own**

**Darling, take it slow**

**Or someday you'll be all alone**

**You'd better stop! The love you save may be your own**

**Darling, look both ways before you cross me**

You're headed for the danger zone

**I'm the one who loves you**

**I'm the one you need**

Those other guys will put you down

As soon as they succeed

They'll ruin your reputation

They'll label you a flirt

**The way they talk about you**

They'll turn your name to dirt, oh

Isaac said he kissed you

Beneath the apple tree

When Benji held your hand he felt

Electricity

When Alexander called you

He said he rang your chimes

Christopher discovered

You're way ahead of your time

**Stop! The love you save may be your own**

**Darling, take it slow**

**Or someday you'll be all alone**

**You'd better stop! The love you save may be your own**

**Darling, look both ways before you cross me**

You're headed for a danger zone

Slow down

Slow down

Slow down

Slow down

S is for "Save it"

T is for "Take it slow"

O is for "Oh, no!"

P is for "Please, please, don't go!"

The love you save may be your own

Some day you may be all alone

Stop it

Save it, girl

Baby! Ooh

**You'd better stop! The love you save may be your own**

Please, please

Or someday, someday baby, you'll be all alone

**I'm the one who loves you**

**I'm the one you need**

**Those other guys will put you down as soon as they succeed**

Stop! The love you save may be your own, baby

You'd better stop it, stop it, stop it girl

**Or someday you'll be all alone**

**The way they talk about you**

They'll turn your name, turn your name to dirt

Stop! The love you save may be your own!

Don't 'cha know don't 'cha know

Some day baby you'll be all alone

Wait a while

**Those other guys will put you down as soon as they succeed**
