This Is I?

Par Michael Jackson

Album : This Is It

Ready?

One, two, three, four

This is it

Here I stand

I'm the light of the world

I feel grand

Got this love

I can feel

And I know yes for sure

It is real

And it feels as though I've seen your face a thousand times

And you said you really know me too, yourself

And I know that you have got addicted with your eyes

But you say you're gonna live it for yourself, oh

I never heard a single word about you (Word about you)

Fallin' in love wasn't my plan (My plan)

I never thought that I would be your lover (Be your lover)

Come on, please, just understand (Understand)

This is it

I can say

I'm the light of the world

Run away

We can feel

This is real

Every time I'm in love

That I feel

And I feel as though I've known you since a thousand years

And you tell me that you've seen my face before

And you said to me you don't want me hanging around

Many times want to do it here before, oh yeah

I never heard a single word about you (Word about you)

Fallin' in love wasn't my plan (My plan)

I never thought that I would be your lover (Be your lover)

Come on, please, just understand (Understand)

This is it (this is it)

I can feel (I can feel)

I'm the light of the world

This is real

Feel my song

We can say

And I tell you can feel that way

And I feel as though I've known you for a thousand years

And you said you saw my face, yourself

And you said "Want to go with me all the while?"

And I know that it's really true myself, oh yeah

I never heard a single word about you (Word about you)

Fallin' in love wasn't my plan (My plan)

I never thought that I would be your lover (Be your lover)

Come on, please dear, understand (Understand)

(Oh I)

I never heard a single word about you (Word about you)

Fallin' in love wasn't my plan (My plan)

I never thought that I would be your lover (Be your lover)

Come on, dear, please understand (Understand)

Oh yeah

Never heard a single word about you
