Wish I had the guts

She from a different planet she an alien

Take me to her planet

Love the way this lady just

Know that she can have it

Just blow to me that fairy dust

Now I can't feel gravity

Under my feet I must

Snap out

Feelin' tapped out

I don't have time for this im a man now

And I don't have a plan for this

Now I'm gassed out

And I might pass out baby

And I dont think right now

I'm in the correct route baby

He mess around

I'm gonna hit him in the snout baby

But you should know

That things could easily go south baby

You know I mean every word

That come out my mouth baby

Yea you're a queen

But I cannot give you

Your crown baby sorry

Sorry

She got a good body

She a fuckin' baddie
