Little In The Middle

Par Milow

Album : BRAVO Hits Vol. 74 CD2

You always wanted to be
Part of a circus company
For the fun and death defying
But in time you forgot life is small in the big top
And your dreams were slowly dying

What you wanted was not a crime

You could've done it

Now you're always just a little

A little in the middle

A little in the middle of where you're bound

Always just a little in the middle

It keeps your head from spinning round

Jugglers walk on the wire

Lions leap through hoops of fire

As the acrobats go flying

But what's the show all about

When did your north get turned to south

And the truth turn to lying

What you wanted was not a crime

You could've done it but you needed time

But it's a hole you're digging

A hole you're digging you're doing it despite

The so much more you're missing

More you're missing to your left and to your right

Now you're always just a little

A little in the middle

A little in the middle of where you're bound

Always just a little in the middle

It keeps your head from spinning round

It keeps your head from spinning round

And round, and round

It keeps your head from spinning round

And round, and round

It keeps your head from spinning...
