You Don't Know

Par Milow

Album : Milow

Sometimes everything seems awkward and large

Imagine a Wednesday evening in March

Future and past at the same time

I make use of the night and start drinking a lot

Although not ideal for now it's all that I've got

It's nice to know your name

You don't know, you don't know

You don't know anything 'bout me

An ocean, a lake, I need a place to drown

Let's freeze the moment because we're going down

Tomorrow you'll be gone, gone, gone

You're laughing too hard, this all seems surreal

I feel peculiar, now what do you feel

You think there's a chance that we can fall

You don't know, you don't know

You don't know anything about me

What do I know, I know your name

You don't know, you don't know

You don't know anything about me anymore

I gave up dreaming for a while

I gave up dreaming for a while

I've noticed these are mysterious days

I look at it like a jigsaw puzzle and gaze

Wide open mouth and burning eyes

If only I could start to care

My dreams and my Wednesdays ain't going nowhere

Baby, baby, baby, you don't know

You don't know

You don't know

You don't know anything 'bout me

What do I know, I know your name

You don't know, you don't know

You don't know anything 'bout me

Baby, baby, baby

You don't know

You don't know

You don't know

You don't know anything 'bout me anymore
