Search And Destroy

Par Ministry

Album : Moral Hygiene

Well, I'm a streetwalking cheetah with a heart full of napalm

Well, I'm the runaway son of the nuclear A-bomb

I am the world's forgotten boy

The one who searches and destroys

Honey gotta help me please

Somebody gotta save my soul

Baby, detonate for me

Oh

Look out honey, 'cause I'm using technology

And I ain't got time to make no apology

Soul radiation in the dead of the night

Love in the middle of a fire fight

Honey, gotta strike me blind

Somebody gotta save my soul

Baby, penetrate my mind

And I'm the world's forgotten boy

The one who's searchin', searchin' to destroy

Look out honey, 'cause I'm using technology

And I ain't got time to make no apology

Soul radiation in the dead of the night

Love in the middle of a fire fight

Honey, gotta strike me blind

Somebody gotta save my soul

Baby, penetrate my mind

And I'm the world's forgotten boy

The one who's searchin', searchin' to destroy

And I'm the world's forgotten boy

The one who's searchin', searchin' to destroy

Search and destroy

Forgotten boy

Search and destroy

Forgotten boy

Search and destroy

Forgotten boy

Search and destroy

Search and destroy

Forgotten boy

Search and destroy

Forgotten boy

Search and destroy

Forgotten boy

Search and destroy

Forgotten boy

Search and destroy
