Waiting for the Cavalry

Par Modern Eon

Album : pieces

Whatever Happened To The Cavalry?

We Catch it For A Moment

Sure They Were Imaginary

Imaginary

Maybe I Saw You On The Closed Circuit TV In The Underground

Moving From The Corners

Maybe The Long Way Around

All Around

How Come There's No One To Fight?

It's Sunday Local A to Z

Leaves No One Inside, No One Inside

Just Waiting For The Cavalry

Just Waiting For The Cavalry

Whatever Happened To The Cavalry?

We Catch it For A Moment

Sure They Were Imaginary

Imaginary

Maybe I Saw You On The Closed Circuit TV In The Underground

Moving From The Corners

Maybe The Long Way Around

All Around

Just Waiting For The Cavalry

Just Waiting For The Cavalry
