# Flirtin' With Disaster

Par Molly Hatchet

*Album : Rockman 12 Original Hits*

I'm travelin' down the road and I'm flirtin' with disaster  
I got the pedal to the floor and my life is runnin' faster  
I'm out of money, out of hope, it looks like self destruction  
Well, how much more can we take with all of this corruption  
We're flirtin' with disaster, ya'll know what I mean  
And the way we run our lives it makes no sense to me  
I don't know about yourself or what you want to be, yeah

**When we gamble with our time we choose our destiny**

I'm travelin' down that lonesome road

**Feel like I'm draggin' a heavy load**

Yeah, I've tried to turn my head away

Feel 'bout the same most every day

You know what I'm talkin' about, baby

Speedin' down the fast lane from home and we're playin' from town to town

The boys and I have been burnin' it up, can't seem to slow us down

We got the pedal to the floor our lives are runnin' faster

We got our sights set straight ahead, but I ain't sure what we're after

We're flirtin' with disaster, ya'll damn sure know what I mean

**You know the way we run our lives it makes no sense to me**

I don't know about yourself or what you plan to be, yeah

**When we gamble with our time we choose our destiny**

Yeah, we're travelin' down that lonesome road

**Feel like I'm draggin' a heavy load**

Though I try to turn my head away

**I'm flirtin' with disaster every day**

And you are too, baby

It ain't for everybody

Ah, come on, man

Flirtin' with disaster, babe, ya'll know what I mean

**You know the way we run our lives it makes no sense to me**

I don't know about yourself or what you plan to be

**When we gamble with our time we choose our destiny**

Yeah, we're travelin' down this lonesome road

**Feel like I'm draggin' a heavy load**

Don't try to turn my head away, bah, bop-bop, yeah

**I'm flirtin' with disaster every day**
