# Even Heaven Cries

Par Monroe

Album : BRAVO Hits Vol. 57 CD1

There are times when you feel  
That you don't know where you fit in  
So you hide what is real  
Even when it hurts you pretend  
To be the one that you think  
Everybody wants you to be  
No one sees, yeah  
The one you really are  
But you don't have to hide your heart  
'Cause nothing 'bout you needs to change  
Sometimes it might seem hard  
Your whole world falls apart  
Just know that when you feel that way

**Even heaven cries**

**Everybody cries**

**It's okay to doubt yourself sometimes**

**You don't have to be afraid of what you fear inside**

**It's alright, it's alright**

**'Cause even heaven cries**

When you look in the mirror

And you don't see picture of perfect

That what they say break your heart

And make you feel that you're not worth it

Wanna disappear, hide the tears

Still playing make believe

So no one sees

**Even heaven cries**

**Everybody cries**

**It's okay to doubt yourself sometimes**

**You don't have to be afraid of what you fear inside**

**It's alright, it's alright**

**'Cause even heaven cries**

No, you're not alone

Don't be ashamed to let your feelings show

You should realize, you're special who you are

In time you're gonna see

Don't you realize?

**Even heaven cries**

**Everybody cries**

**It's okay to doubt yourself sometimes**

**You don't have to be afraid of what you fear inside**

**It's alright, it's alright**

**'Cause even heaven cries**
