Super Goggles (Average Joes Remix)

Par Moonshine Bandits

Album : Whiskey & Women (Deluxe Shiner Edition)

What'd you do, what'd you do, bartender, what'd you do to my bottle? Ooh-oo

This was a room full of two's, now they all look like supermodels, ooh-oo

Little mama over there, brown hair, when I walked in I didn't care

But now she's lookin' like Nelly Furtado

It's like a whole new world when I'm lookin' through my super goggles, ooh-oo

My super goggles

Jagermeister kryptonite, let my bottle hypnotize

I'm so Jimmy Superfly, super goggles, super eyes

Super goggles hold me down, let's go take another crown

DJ, spin that record now, waitress, bring me one more round

Take it from me, take it for the team, 48? She looks 18

Her body gyrates, create a scene, or I might just be seein' things

I don't know what I don't need, goggles are confusin' me

Models are seducin' me, okay, now you're losin' me

What'd you do, what'd you do, bartender, what'd you do to my bottle? Ooh-ooh

This was a room full of two's, now they all look like supermodels, ooh-ooh

Little mama over there, brown hair, when I walked in I didn't care

But now she's lookin' like Nelly Furtado

It's like a whole new world when I'm lookin' through my super goggles, ooh-ooh

My super goggles

It's like I just transported to another world

And now I'm fa-fa-fallin' in love with all the girls

It's like I just transported to another world

And now I'm fa-fa-fallin' in love with all the girls

Super goggles, super vision, take me on a super mission

To find a dime or am I wishin', don't go lookin' if I go missin'

To the dance floor, that's where we're headin'

To the dance floor, we both start sweatin'

To the dance floor, the clothes are sheddin'

She might be a two, or she might be a seven

I don't know, but I feel like I'm bangin'

If she wanna go then I know it's destined

If she wanna roll then we roll to the west

And I woke up in the morning and I learned my lesson

Jagermeister kryptonite, let my bottle hypnotize

I'm so Jimmy Superfly, super goggles, super eyes

What'd you do, what'd you do, bartender, what'd you do to my bottle? Ooh-ooh

This was a room full of two's, now they all look like supermodels, ooh-ooh

Little mama over there, brown hair, when I walked in I didn't care

But now she's lookin' like Nelly Furtado

It's like a whole new world when I'm lookin' through my super goggles, ooh-ooh

My super goggles

It's like I just transported to another world

And now I'm fa-fa-fallin' in love with all the girls

It's like I just transported to another world

And now I'm fa-fa-fallin' in love with all the girls

Jagermeister kryptonite, let my bottle hypnotize

I'm so Jimmy Superfly, super goggles, super eyes

Super goggles hold me down, let's go take another crown

DJ, spin that record now

My super go-go-go-go-goggles

My super go-go-go-go-goggles

My super go-go-go-go-goggles

My super go-go-go-go-goggles

What'd you do, what'd you do, bartender, what'd you do to my bottle? Ooh-ooh
