Dr Love

Par Motörhead

Album : Hammered [Bonus CD] Disc 1

Hey, hey

Working the room with her cat clothes on

Messing up my mind

The mouth just made for kissing

Says a good man's hard to find

I'm just hangin', standin' there

Can't believe my eyes

She looks so fine and she smiles so kind

Make a strong man cry

She does me in, and she'll do you too

She only got to shake it, and I'm shaking in my shoes

You know she's a natural woman

You know she likes that fine

You know she's a total killer

And she ain't even trying

I want her so bad I get shivers

If I can't see her enough

She asked my name, I said, "Honey

My name is Doctor Love"

Sat down by me and I told her

She's like to drive me blind

She smiled like a hungry tiger

Said a hard man is good to find

I just stood there helpless

Wondering what I should do

She said, "Come on honey, show me your money

Ain't got no time to lose"

She does me in, and she'll do you too

She only has to shake it, and she shakes me in my shoes

You know she's a lovely lady

She ain't no easy girl

She make me wanna love her long time

To make her toenails curl

I want her so bad I go crazy

If she don't love me enough

I need to examine her stamina

'Cos my name is Doctor Love

She got no human pity

She don't care who she hurts

The face of an evil angel

Says a hard man makes her worse

I want to drive her crazy

Get her in her in between

But she makes it awful hard

If you see what I mean

She does me in, and she'll do you too

She only got to shake it, and I'm shaking in my shoes

You know she's a classic beauty

She don't want to fight

She wants a man who's standing tall

And stood up all right

I want her so bad I get crazy

If she don't call me up

She said, "Honey, do you want me to call you?"

I said, "Just call me Doctor Love"
