To Be With You - Mr. Big

Par Mr. Big

Album : M - Various Artists

Hold on, little girl

Show me what he's done to you

Stand up little girl

Broken heart can't be that bad

When it's through, it's through

Fate will twist the both of you

So come on baby, come on over

Let me be the one to show you

I'm the one who wants to be with you

Deep inside I hope you feel it too (feel it too)

Waited on a line of greens and blues (waited on a line)

Just to be the next to be with you

Build up your confidence

So you can be on top for once

Wake up who cares about

Little boys that talk too much

I've seen it all go down

The game of love was all rained out

So come on baby, come on over

Let me be the one to hold you

I'm the one who wants to be with you (I'm the one, yeah)

Deep inside I hope you feel it too (feel it too)

Waited on a line of greens and blues (waited on a line, yeah)

Just to be the next to be with you

Why be alone when we can be together, baby?

You can make my life worthwhile

I can make you start to smile

When it's through, it's through

Fate will twist the both of you

So come on baby, come on over

Let me be the one to show you

I'm the one who wants to be with you (I'm the one)

Deep inside I hope you feel it too (feel it too)

Waited on a line of greens and blues (waited on a line)

Yeah, just to be the next to be with you

I'm the one who wants to be with you (I'm the one)

Deep inside I hope (deep inside) you feel it too (you feel it too)

Waited on a line of greens and blues (waited on that line)

Yeah, just to be the next to be with you

Just to be the next to be with you, ooh
