Citizen Erased

Par Muse

Album : Autres

Break me in, teach us to cheat

And to lie, cover up

What shouldn't be shared

All the truth's unwinding

Scraping away at my mind

Please, stop asking me to describe

For one moment

I wish you'd hold your stage

With no feelings at all

Open minded

I'm sure I used to be so free

Self expressed, exhausting for all

To see and to be

What you want and what you need

The truth's unwinding

Scraping away at my mind

Please, stop asking me to describe

For one moment

I wish you'd hold your stage

With no feelings at all

Open minded

I'm sure I used to be so free

For one moment

I wish you'd hold your stage

With no feelings at all

Open minded

I'm sure I used to be so free

Wash me away

Clean your body of me

Erase all the memories

They will only bring us pain

And I've seen all I'll ever need
