Thank you for the venom

Par My Chemical Romance

Album : The Black Parade is Dead !

Sister, I'm not much a poet, but a criminal
And you never had a chance
Love it or leave it, you can't understand
A pretty face, but you do so carry on and on, and on
I wouldn't front the scene if you paid me
I'm just the way that the doctor made me
On, and on, and on, and on
Love is the red, the rose on your coffin door
What's life like, bleeding on the floor, the floor, the floor?

You'll never make me leave

I wear this on my sleeve

Give me a reason to believe

So, give me all your poison, and give me all your pills

And give me all your hopeless hearts and make me ill

You're running after something that you'll never kill

If this is what you want, then fire at will

Preach all you want, but who's gonna save me?

I keep a gun in the book you gave me

Hallelujah, lock and load

Black is the kiss, the touch of the serpent son

It ain't the mark or the scar that makes you one and one, and one, and one

You'll never make me leave

I wear this on my sleeve

Give me a reason to believe

So, give me all your poison, and give me all your pills

And give me all your hopeless hearts and make me ill

You're running after something that you'll never kill

If this is what you want, then fire at will

You'll never make me leave

I wear this on my sleeve

You wanna follow something

Give me a better cause to lead

Just give me what I need

Give me a reason to believe

So, give me all your poison, and give me all your pills

And give me all your hopeless hearts and make me ill

You're running after something that you'll never kill

If this is what you want, then fire at will

So, give me all your poison, and give me all your pills (fire at will)

And give me all your hopeless hearts and make me ill (fire at will)

You're running after something that you'll never kill (fire at will)

If this is what you want, then fire at will (fire at will)
