more than friends

Par Nafeesisboujee

Album : more than friends

I think that we're more than friends

But it don't make no sense

I just wanna make amends

I'll miss you and your friends

I think that we're more than friends

But it don't make no sense

I just wanna make amends

I'll miss you and your friends

I don't wanna stand, don't talk to me

That don't make no sense, no lovin' me

I'm down at station on Bree (I'm down at sta- on Bree)

I think that we're more than friends

But it don't make no sense

I just wanna make amends

I'll miss you and your friends

I think that we're more than friends

But it don't make no sense

I just wanna make amends

I'll miss you and your friends

I'll miss you and your friends

Th? way you held my hand

Right back at you

Won't you say you love me?

Yeah, I'm flying a thousand miles away

I don't know, I don't know when I'll see you again

Will you wait for me?

Will you wait for me, my love?

Oh, oh, oh, oh

Oh, oh, oh, oh

I think that we're more than friends

But it don't make no sense

I just wanna make amends

I'll miss you and your friends

I think that we're more than friends (more than friends)

But it don't make no sense

I just wanna make amends

I'll miss you and your friends (I'll miss you and your friends)
