Only Love

Par Nana Mouskouri

Album : The Emotion Collection - Looking Back -[Disc 2]

Only love can make a memory

Only love can make a moment last
You were there and all the world was young
And all it's songs unsung
And I remember you then, when love was all,
All you were living for,

And how you gave that love to me

Only then I felt my heart was free

I was part of you and you were all of me

Warm were the days and the nights

Of those years

Painted in colors to outshine the sun

All of the words and the dreams

And the tears live in my remembrance

Only love can make a memory

Only love can make that moment last

Life was new, there was a rage to live,

Each day a page to live,

And I remember you then,

When love was all, all you were living for

And how you gave that love to me

Only then I knew my heart was free

I was part of you and you were all of me

Only love can make a memory

Only love can make that moment last

Life was new, there was a rage to live,

Each day a page to live,

And I remember you then,

When love was all, all you were living for

And how you gave that love to me

Only then I knew my heart was free

I was part of you and you were all of me
