BURNIN' THE FLOOR

Par NAOKI

Album : Dance Dance Revolution 4th Mix

"He's got you buuuuurned, yeah!"

Burn, burn, burnin's the fix

Tell me, do you really wanna roll with this?

The heat is on, and it's time to move

So will you know just what to do?

Temperature's rising, no way out

Gone too far, can't stop now

So let me know you feel it too

When the fire gets inside of you

Where have you been all of my life?

I've been looking for you

I wanna dance through the dark into the daylight with you

I wanna burn

Burn, burn, burn the wood, burn

The rhythm's hard to ignore (Yeah, yeah, yeah!)

Set off in me, fire

I just don't care anymore

Let's make it special

On the dance floor

I could feel your vibe

When I came through the door

Let's get it up, cos now's the time

I really wanna make you mine

Tonight, let's put it in flight

You and me, on a fantasy

And if you really wanna learn

I'm gonna show how to BURN!

Burn, burn, burn, you burn me

Your body's talkin' to mine

(You burn me!)

Sizzling sensation

Our bodies locked and in time

(Oh yeah, yeah!)

You know we're gonna burn, burn, burn the fire

Can't hold back anymore

(Talk to me, yeah!)

Fire in me rages

I've got to burn up the floor,

Burnin' the floor,

We're burnin' the floor!
