Loving You Is The Only Way To Fly

Par Nashville Cast

Album : Nashville Cast - The Music Of Nashville: Greatest Hits Seasons 1-5

I should have moved on long ago

Why I still want you I don't know

These days my best laid plans,

Are built on shifting sands, It's not like I don't know you said goodbye.

Loving you is the only way to fly.

Can't find the strength to stand alone

Can't seem to find my way back home

I fell so far so deep

Can't eat, can't breathe, can't sleep

Don't much care if I live or die

Loving you is the only way,

Loving you is the only way to fly

Somebody said, "Some dreams come true, some pass you by."

That's how it is.

Sometimes I pray you'll come around

We'll find a house somewhere in town

I keep my hopes alive, with one long free-fall dive,

I think, drink, sink into this lie.

Loving you is the only way,

Loving you is the only way to fly

Somebody said, "Some dreams come true; some pass you by."
