A Cottage for Sale (Stereo, Remastered)

Par Nat King Cole

Album : Just One of Those Things (Remastered)

A little dream castle with every dream gone
Is lonely and silent, the shades are all drawn
And my heart is heavy as I gaze upon

A cottage for sale

The lawn we were proud of is waving in hay
Our beautiful garden has withered away
Where you planted roses, the weeds seem to say

A cottage for sale

From every single window, I see your face

But when I reach a window, there's an empty space

The key's in the mailbox, the same as before

But no one is waiting for me anymore

The end of our story is told on the door

A cottage for sale

From every single window, I see your face

But when I reach a window, there's an empty space

The key's in the mailbox, the same as before

But no one is waiting for me anymore

The end of our story is told on the door

A cottage for sale, for sale

A cottage for sale
