# Action (Feat. Ty Dolla \$ign & Eric Bellinger)

Par Nef The Pharaoh

*Album : Nef The Pharaoh & Cardo - Neffy Got Wings*

Yeah, girl, pay attention, say, "Yeah"

God put a angel in front of me

Swear you could be what you wanna be

Sneakers instead of heels, yeah

Way that you move is appealing

I hear you claim that niggas ain't shit

Sorry, I'm not who you came with

The party was fun while it lasted

But now you're just ready for action

So focused on your career, you don't even notice a nigga is here

You're not looking for love and it's clear

I noticed it's something you fear

Never put you under pressure, take a fall and I'm a catch you

Give you blessing after blessing

People never see the big picture, but I always get the message

Seeing one and I'm a check it

Uber driver driving reckless, sip's on, we in Texas

If she get high, then start stressing

I put some marks on her necklace

Mark will even out the check-ins, put some money in her jackets

Do it cause it's unexpected, a real bitch gon' respect it

You'll never ever get neglected

I pay attention, you know I love it when you're natural

You tell me you don't good

Seeing yourself is seeing your way out

I had a crush for a long time, but today I'm telling you while we face-to-face

And I don't care about no nigga and she had a young face

I bet he ain't had shit on my ass

I'm not another, I'm a lover that can last

I wanna fuck you 'til the next nigga mad

Everything you do is beautiful, you, you and I love it

I done travelled the world and seen millions of girls, but I swear these bitches mean nothing

Sneakers instead of the heels, yea See All

**God put a angel in front of me**

**Swear you could be what you wanna be**

**Sneakers instead of heels, yeah**

**Way that you move is appealing**

**I hear you claim that niggas ain't shit**

**Sorry, I'm not who you came with**

**The party was fun while it lasted**

**But now you're just ready for action**

Ready for a real nigga

That a real nigga, here to say your ex wouldn't ride

I'm ready for a real bitch, said he too childish

Baby, will you let me take it down

In the driveway in the back of your

Yeah, yeah, yeah, yeah, mess that shit up

Backseat, hell yeah, fuck that shit up

Say you ain't even looking for love

You get your own, you won't want

Bad bitch, know you more than that

Average, know you never that

Horny, girl, you always that

**God put a angel in front of me**

**Swear you could be what you wanna be**

**Sneakers instead of heels, yeah**

**Way that you move is appealing**

**I hear you claim that niggas ain't shit**

**Sorry, I'm not who you came with**

**The party was fun while it lasted**

**But now you're just ready for action**

You gon' be my super freak tonight

Ain't nobody made you act this way

Press record, we got a movie now

DJ, keep this shit on replay

**God put a angel in front of me**

**Swear you could be what you wanna be**

**Sneakers instead of heels, yeah**

**Way that you move is appealing**

**I hear you claim that niggas ain't shit**

**Sorry, I'm not who you came with**

**The party was fun while it lasted**

**But now you're just ready for action**

Ready for action, ready, ready for more

Ready to go to the Benz, see what I got in store for you

Ready for, ready for me to be all up on top of your body 'til you get excited

And you don't want me to stop, but you want me to get bored

Keep on going, you know that I won't stop

Once, girl, I keep going, you know that I won't stop

I won't stop, you know that I won't stop

Look at you, ready for action
