And I Love Her

Par Neil Diamond

Album : The Movie Album Disc Two

I give her all my love

That's all I do

And if you saw my love

You'd love her to

And I love her

She gave my everything

And tenderly

The kiss my lover brings

She brings to me

And I love her

A love like ours

Could never die

As long as I

Have you near me

Bright is the stars that shine

Dark is the sky

I know this love of mine

Will never die

And I love her

I love her

I love her

And I love her
