Juliet

Par Neil Diamond

Album : Brother Love's Traveling Salvation Show

Juliet I've been waitin'

For so long for you to come back

How I, I've been needin' you, Juliet

Wrapped up all in day dreams

But daydreams won't fill the night time

And I'm so glad I found Juliet

Nananananana...

Turn your eyes on me, girl

Wanderin' round inside a grown man

No more than a small boy, sweet Juliet

'Bout to give up tryin'

And there you stood

Without your shoes on

You've gone and loved me, sweet Juliet

Nananananana...
