Love On The Rocks - From "The Jazz Singer" Soundtrack

Par Neil Diamond

Album : All-Time Greatest Hits

Love on the rocks, ain't no surprise
Just pour me a drink, and I'll tell you some lies
Got nothing to lose, so you just sing the blues
All the time
Gave you my heart, gave you my soul
You left me alone here with nothing to hold
Yesterday's gone, now all I want is a smile

At first they say they want you, hear how they really need you

Suddenly you find you're out there walking in a storm

And when they know they have you, then they really have you

Nothing you can do or say, you've got to leave, just get away

We all know the song

You need what you need, you can say what you want

Not much you can do when the feeling is gone

Maybe blue skies above, but it's cool

When your love's on the rocks

At first they say they want you, hear how they really need you

Suddenly you find you're out there walking in a storm

And when they know they have you, then they really have you

Nothing you can do or say, you've got to leave, just get away

We all know the song

Love on the rocks, ain't no big surprise

Just pour me a drink, and I'll tell you more lies

Yesterday's gone and now all I want is a smile
