Love To Burn

Par Neil Young & Crazy Horse

Album : Weld - CD1

Late one night I was walking in the valley of hearts.

A spirit came to me and said: You gotta move to start

You gotta take the first step

You gotta grow to be tall

And then she me told something, something that I'll never forget.

You got love to burn.

You better take your chance on love.

You got to let your guard down

You better take a chance,

A chance on love.

Take chance on love

On love.

In the valley of hearts there's a house full of broken windows

And the lovers inside just quarrel all the time

Why'd you ruin my life?

Where you takin' my kid?

And they hold each other saying: How did it come to this?

You got love to burn.

You better take your chance on love.

You got to let your guard down

You better take a chance,

A chance on love.

Take chance on love

On love.

Late one night I was walking in the valley of hearts.

A spirit came to me and said: You gotta move to start

You gotta take the first step

You gotta grow to be tall

And then she me told something, something that I'll never forget.
