# Know Me Too Well

Par New Hope Club

*Album : Mix - Know Me Too Well*

I spend my weekends tryna get you off

My mind again, but I can't make it stop

I'm tryna pretend I'm good, but you can tell

(Good but you can tell)

You're right, I shoulda text you goodnight

I shoulda given more time

I wish I had've known this before

Now I'm replaying our goodbye

But it wasn't a goodbye

And I still hear you slamming the door

Try to hit you up, but you've had enough

You're screaming down the phone

"You don't know what you lost"

I say, "I'm fine," I didn't care that much

But I realise when you hang up, I messed this up

I spend my weekends tryna get you off

My mind again, but I can't make it stop

I'm tryna pretend I'm good, but you can tell

'Cause you know me too, you know me too well

Ah-ah-ah-ah

You know me too well

Ah-ah-ah-ah

Lo puedo dejar para mí, jamás volverte a llamar

But baby no puedo engañarme a mí misma, no

Porque cada vez que me oyes, yo sé que tú me lees

Lo mejor será dejarte ir y olvidarte

Try to hit you up, but he had enough

Just screaming down the phone

"You don't know what you lost"

I say, "I'm fine," I didn't care that much

But I realise when you hang up, I messed this up

I spend my weekends tryna get you off

My mind again, but I can't make it stop

I'm tryna pretend I'm good, but you can tell

'Cause you know me too, you know me too well

Ah-ah-ah-ah

You know me too well

Ah-ah-ah-ah

Oh, if we could take it back

Baby, if I could, then I would (I would)

I would give you all I have

Baby, if I could, then I would (I would)

**I spend my weekends tryna get you off**

My mind again, I can't make it stop

Tryna pretend I'm good, but you can tell

Mmm, I'm not

**I spend my weekends tryna get you off**

**My mind again, but I can't make it stop**

**I'm tryna pretend I'm good, but you can tell**

'Cause you know me, you know me too well

**Ah-ah-ah-ah**

**You know me too well**

**Ah-ah-ah-ah**

**You know me too well**

**Ah-ah-ah-ah**

**You know me too well**

Solo tú me conoces tan bien
