### Let's Go

Par New Order

*Album : Low?Life*

You know it never meant much to me,  
But there's something on your mind that I could see.  
It didn't hurt me too much to find  
You were seeing someone else for all of this time.

You know that I don't care,  
And I like you to know that I don't care.  
I don't need your sympathy;  
Why don't you ever look at me?

**You did nothing for me.**

**You did nothing I see.**

**You did nothing for me.**

**You did nothing.**

There's no today and there's no tomorrow.

Where you find sadness, I find sorrow.

Nobody knows, but it always shows,

I think I'm losing my mind, but that's the way that it goes.

And it's fine, all those lies.

I can see their truth lies in your eyes.

So I guess we are through;

You did to me what I did to you.

**You did nothing for me.**

**You did nothing I see.**

**You did nothing for me.**

**You did nothing.**

I don't need your sympathy,

'Cause you don't mean that much to me.
