Who saw those dark eyes?

Who saw those dark eyes?

Tears come by

Deep within

Burn my skin

All those years gone by

In the heat of the night

All those years gone by

Who felt those cold hands?

Who felt those cold hands

Touch my skin

Deep within

Burn my soul

Fell to the ground where I was found

All those years ago

All those tears ago

All those years ago

Everybody makes mistakes

Everybody makes mistakes

Even me

Just be free

This is a place where in the end

It happens in our world within

Time to go

Time to go
