# World in Motion

Par New Order

*Album : The Best of*

Well, some of the crowd are on the pitch

Well, some of the crowd are on the pitch

They think it's all over... well, it is now!

Express yourself, create the space

You know you can win, don't give up the chase

Beat the man, take him on

You never give up, it's one on one

(Express yourself) It's one on one

(Express yourself) It's one on one

(Express yourself) You can't be wrong

(Express yourself) When something's good it's never gone

**Love's got the world in motion**

**And I know what we can do**

**Love's got the world in motion**

**And I can't believe it's true**

Now is the time, let everyone see

You never give up, that's how it should be

Don't get caught, make your own play

Express yourself, don't give it away

**(Express yourself) It's one on one**

**(Express yourself) It's one on one**

**(Express yourself) You can't be wrong**

**(Express yourself) When something's good it's never gone**

**Love's got the world in motion**

**And I know what we can do**

**Love's got the world in motion**

**And I can't believe it's true**

**Love's got the world in motion**

**And I know what we can do**

**Love's got the world in motion**

**And I can't believe it's true**

**We want goals**

A beauty scored by Bobby Charlton

**We want goals**

You've got to hold and give, but do it at the right time  
You can be slow or fast, but you must get to the line  
They'll always hit you and hurt you, defend and attack  
There's only one way to beat them, get 'round the back  
Catch me if you can 'cause I'm the England man  
And what you're lookin' at is the master plan  
We ain't no hooligans, this ain't a football song  
Three lions on my chest, I know we can't go wrong

**We're playing for England (En-ger-land)**

**We're playing the song**

We're singing for England (En-ger-land)

Arrivederci, it's one on one

We're playing for England (En-ger-land)

We're playing the song

We're singing for England (En-ger-land)

Arrivederci, it's one on one

We're playing for England (En-ger-land)

We're playing the song

We're singing for England (En-ger-land)

Arrivederci, it's one on one

We're playing for England (En-ger-land)

We're playing the song

We're singing for England (En-ger-land)

Arrivederci, it's one on one
