Ice Cream

Par New Young Pony Club

Album : New Young Pony Club EP

I can give you what you want

I can make your heart beat short

I can make you ice cream

We could be a sweet team

Melting in your vice dreams, sport

I can be the sauce you crave

I can spell what you can't say

Chocolate flavored love theme

Treat that treats you so mean

Covering your nights and days

Let me give you what you'd like

I can make you mouth run dry

Drink me like a liquor

C'mon and dip your dipper

Show me what you're here for, guy

I can give you what you want

I can make your back real taut

Fantastic flavored fancies

Sick like Sid and Nancy

Wicked as a joy ride jaunt

What you want

I can give you what you want, what you want

I can give you what you want, you want

I can give you what you want, what you want

You want what? You, what you, want now?

What you want

What you, what you want
