Closer

Closer

Closer

Closer

Turn the lights off in this place

And she shines just like a star

And I swear I know her face

I just don't know who you are

Turn the music up in here

I still hear her loud and clear

Like she's right there in my ear

Telling me that she wants to own me

To control me

Come closer (Come closer)

Come closer

And I just can't pull myself away

Under her spell I can't break

I just can't stop

I just can't stop

I just can't stop

I just can't stop

And I just can't bring myself no way

But I don't want to escape

I just can't stop

I just can't stop

I just can't stop

I just can't stop

I just can't stop

I can feel her on my skin

I can taste her on my tongue

She's the sweetest taste of sin

The more I get the more I want

She wants to own me

Come closer

She says come closer

And I just can't pull myself away

Under her spell I can't break

I just can't stop

I just can't stop

I just can't stop

I just can't stop

And I just can't bring myself no way

But I don't want to escape

I just can't stop

I just can't stop

I just can't stop

I just can't stop

I just can't stop

Come Closer

Come Closer

Come Closer

Come Closer

Come Closer

Come Closer

Come Closer

I just can't stop no woh-oh

I just can't stop no woh-oh

I just can't stop no woh-oh

I just can't stop no

And I just can't pull myself away

Under her spell I can't break

I just can't stop

I just can't stop

I just can't stop

I just can't stop

And I just can't bring myself no way

But I don't want to escape

I just can't stop

I just can't stop

I just can't stop

I just can't stop

I just can't stop

And I just can't pull myself away

Under her spell I can't break

I just can't stop

I just can't stop

I just can't stop

I just can't stop

I just can't stop

Come closer
