Shudder Before The Beautiful

Par Nightwish

Album : Endless Forms Most Beautiful (Disc 1 - Album Version)

The deepest solace lies in understanding

This ancient unseen stream

A shudder before the beautiful

Awake oceanborn

Behold this force

Bring the outside in

Explore the self to epiphany

The very core of life

The soaring high of truth and light

The music of this awe

Deep silence between the notes

Deafens me with endless love

This vagrant island earth

A pilgrim shining bright

We are shuddering before the beautiful

Before the plentiful

We, the voyagers

Tales from the seas

Cathedral of green

The very core of life

The soaring high of truth and light

The music of this awe

Deep silence between the notes

Deafens me with endless love

This vagrant island earth

A pilgrim shining bright

We are shuddering before the beautiful

Before the plentiful

We, the voyagers

The unknown

The grand show

The choir of the stars

Interstellar theatre play

The nebulae curtain falls

Imagination, evolution

A species from the vale

Walks in wonder in search of the source of the tale

The music of this awe

Deep silence between the notes

Deafens me with endless love

This vagrant island earth

A pilgrim shining bright

We are shuddering before the beautiful

Before the plentiful

We, the voyagers

The music of this awe

Deep silence between the notes

Deafens me with endless love

This vagrant island earth

A pilgrim shining bright

We are shuddering before the beautiful

Before the plentiful

We, the voyagers

The music of this awe

Deep silence between the notes

Deafens me with endless love

This vagrant island earth

A pilgrim shining bright

We are shuddering before the beautiful

Before the plentiful

We, the voyagers
