Don't Take All Night

Par Nina Simone

Album : Les 50 plus belles chansons

Don't take all night

To tell me that you love me

Don't take all night

To tell me you care

Don't you know i have the right

To know if you want me

Tell me now

Take my love

Forever to share

Don't take all night

Now don't keep me waiting

Well i'm allowed to know

The way that you feel

Don't take all night

I'm anxious to know dear

Let your love

With a kiss

Let it be sealed

Everyday

I love you more and more

This is the moment

That i've been waiting for

Don't take all night

To tell me you love me

Don't take all night

To tell me you care

Don't take all night

I want you to hold me

Tell me now

Take my love

Forever to share

Tell me now

Take my love

Forever to share
