Swap Meet (Paused)

Par Nirvana

Album : Bleach

They live a lifestyle that is comfortable

They travel far to keep their stomachs full

They make a living off of arts and crafts

The kind with seashells, driftwood and burlap

They make a deal when they would come to town

The Sunday swap meet is a battleground

She loves it more than he will ever know

He loves her more than he will ever show

Keeps his cigarettes close to his heart

Keeps her photographs close to her heart

Keeps the bitterness close to the heart

They live a lifestyle that is comfortable

They travel far to keep their stomachs full

They make a living off of arts and crafts

The kind with seashells, driftwood and burlap

They make a deal when they would come to town

The Sunday swap meet is a battleground

She loves it more than he will ever know

He loves her more than he will ever show

Keeps his cigarettes close to his heart

Keeps her photographs close to his heart

Keeps the bitterness close to the heart

They live a lifestyle that is comfortable

They travel far to keep their stomachs full

They make a living off of arts and crafts

The kind with seashells, driftwood and burlap

They make a deal when they would come to town

The Sunday swap meet is a battleground

She loves it more than she will ever know

He loves her more than he will ever show

Keeps his cigarettes close to his heart

Keeps her photographs close to her heart

Keeps the bitterness close to the heart
