Where Did You Sleep Last Night

Par Nirvana

Album : Outcesticide - The Needle and the Damage Done

My girl, my girl

Don't lie to me

Tell me, where did you sleep last night?

In the pines, in the pines

Where the sun don't ever shine

I would shiver the whole night through

My girl, my girl, where will you go?

I'm going where the cold wind blows

In the pines, in the pines

Where the sun don't ever shine

I would shiver the whole night through

Her husband was a hard working man

Just about a mile from here

His head was found in a driving wheel

But his body never was found

My girl, my girl, don't lie to me

Tell me, where did you sleep last night?

In the pines, in the pines

Where the sun don't ever shine

I would shiver the whole night through

Shiver for me now

My girl, my girl, where will you go?

I'm going where the cold wind blows

In the pines, in the pines

Where the sun don't ever shine

I would shiver the whole night through

My girl, my girl, don't lie to me

Tell me, where did you sleep last night?

In the pines, in the pines

Where the sun don't ever shine

I would shiver the whole night through

My girl, my girl, where will you go?

I'm going where the cold wind blows

In the pines, the pines

The sun ... shine

I'd shiver the whole night through
