You can work it

Give it to me straight

When you smooth operate

Can you come out and play?

Make my tic talk

Step up to the plate

No underestimate

No never play it safe

No relax

Boy you're charming me not gonna fight it

I'm your moll indeed not gonna hide it

Hustlin' you got me

Your turfs in my lane

Respect nobody

Bonnie and a Clyde it

Not gonna testify

Gotta me under oath big time

Baby you hustler hustler hustler

Gonna work for you all night yeah

Go for whatever you want

Don't let anyone tell you that you can't

Baby you, baby you get that take that

I'm in the mood so make it last

Hustle 9 to 5

You're gonna have to survive

Go hard go hard go hard go hard

Wanted dead or alive

You work it hard (you work it)

Boy you got me good

How you push and shove (push and shove)

Ooh boy you're hustlin' me

You work it hard (you work it hard you gonna lie some)

Boy you got me good how you push and shove

(You work it hard gonna survive some)

Ooh boy you're hustlin' me

Smoke ina de place

Mi a defend mi space

Give mi food for mi plate

Mi no take talk

Strapped just in case

Anybody violate

Dem quick fe get erased

Cause me squeeze fast

If a high grade weed me provide it

Cops dem search dem never gonna find it

Hustlin' in the street, de turf and de lane

No beg nobody, nuttin' me no join it

Touch de road at night

Make money and mi feel alright

Ghetto youths hustle, hustle at it

Shine like the stadium light, yeah

Go fi whatever you want

No mek nobody tell you say you can't

Ghetto youths set dat, get dat, tek dat

Go fi de food, no mek it pass

Hustle 9 till 5

Cause mi haffe survive

Go hard, harder than de hard drive

**Take a ride with me**

**If that's all right**

**We'll shine so bright**

**It's a risky business**

**Gonna play it anyway**

**You push and shove**

**I take the bait**

**It's a risky business**

**Gonna play it anyway**

Tik tok round de clock

Hustlin' on de block

Make sure everything right fi my girl

The love is non-stop

You feel the impact

Collide like two stars in my world

Ready when you're ready we can run this city

No if's, no but's, no maybes

Seckle down gal, do the rocksteady

Mi put a smile on your face like its payday

La la la la vida loca

We speeding it up like soca

Just when you think its over

We be on another level like we doing yoga

My love is toxic, stretch like elastic, drastic

Share the pilot inna mi cockpit

Anytime anyplace we blaze

**You work it hard (you work it)**

**Boy you got me good**

**How you push and shove (push and shove)**

**Ooh boy you're hustlin' me**

**You work it hard (you work it hard you gonna lie some)**

**Boy you got me good how you push and shove**

**(You work it hard gonna survive some)**

**Ooh boy you're hustlin' me**

**You work it hard (you work it hard you gonna lie some)**

Ooh boy you got me good (you got me good)

Baby you got the moves (you got the moves)

You're hustlin' me

You work it hard

**Take a ride with me**

**If that's all right**

**We'll shine so bright**

Like the city lights

When you're by my side

Stay by my side girl (boy)

Let's ride if that what's you want

Have fun if that what's you want

We could go wherever you want girl, want girl

Bubble it if that what's you want

Have a drink if that what's you want

You could have anything you want girl
