Where Do You Go (Ocean Drive M

Par No Mercy

Album : A Night At The Roxbury

Where do you go, my lovely?

Where do you go?

I wanna know, my lovely

I wanna know

Where do you go?

I wanna know

Where do you go?

I wanna know

Where do you, where do you go?

Where do you, where do you go?

You leave without a word, no message, no number

And now my head is pounding like rolling thunder

You left me with a heartache deep inside

Girl, you should see me cry all night, and I wonder

Everybody says, "What a shame, what is wrong"

They don't like the game we play

Heard you're hanging 'round every night until dawn

I'm waiting for you night and day

Where do you go, my lovely?

Where do you go?

I wanna know, my lovely

I wanna know

Where do you go?

I wanna know

Where do you go?

I wanna know

You gotta break the silence, don't keep me waiting

Just like a river flowing to the sea

You're running back to me

Come hear what I'm saying

Where do you go, my lovely?

I wanna know

Where do you go?

Where do you go?

I wanna know

Where do you, where do you go?

Save me

Come back and dry the tears, I cried for you, baby

You've gotta stop this heartache deep inside

You've gotta help me make it through the night safely

Come back and save me

Where do you go, my lovely?

Where do you go?

I wanna know, my lovely

I wanna know

Where do you go, my lovely?

Where do you go?

I wanna know

Where do you, where do you go?
