Par Norman Greenbaum

Album : Spirit In The Sky

Birdies in the backyard scooping up the seeds

Scooping up the seeds, they're scooping

Daddy's outside pulling up the weeds

Pulling up the weeds, pulling up the weeds, said hey

Pulling up the weeds, scooping up the seeds, I said hey

What a day, Jubilee

Mama's in the kitchen cooking up a storm

Cooking up a storm, she's cooking

Grandma's in the cellar making liquor out of corn

Liquor out of corn, liquor out of corn, I said hey

Liquor out of corn, cooking up a storm, I said hey

Hey, what a day, Jubilee

Things going my way

I said hey, what a day, Jubilee

Said (Jubilee, Jubilee)

I said (Jubilee, Jubilee)

I said (Jubilee)

I said hey (Hey)

I said hey, yeah (Hey)

Sister's at her girlfriend's looking for a can

Looking for a can, she's looking

I'm on the roof, I'm playing Superman

Playing Superman, playing Superman, hey

Playing Superman, looking for a can, I said hey

Hey, what a day, Jubilee

Things going my way

I said hey, what a day, Jubilee

I said (Jubilee, Jubilee)

I said (Jubilee, Jubilee)

I said (Jubilee)

I said hey (Hey)

I said hey, yeah (Hey)
