Rain

Par Ochaè

Album : Rain

All the remedy

That I found in my lawless

The vivid memory

In which my heart was so foreign

So show me your vision of me

Cause I don't wanna be away

So show me your vision of me

Cause I don't wanna be away

Pour out your spirit like rain

(We need you Lord)

Rain

Pour out your spirit like rain

24-7 im vested

Resting though all of my seasons may change

You remain the same

And better days coming because of your grace

So show me your vision of me

Cause I don't wanna be away

So show me your vision of me

Cause I don't wanna be away

Pour out your spirit like rain

(We need you Lord)

Rain

Pour out your spirit like rain

We need you Lord

And I don't wanna be

Far from you

Loving you

Is all I need

And I don't wanna be

Far from you, Lord

Loving you

Is all I need

Pour out your spirit like rain

(We need you Lord)

Rain

(We wanna see you Lord)

Rain

So Pour out your spirit like

Rain
