# Rain

Par Ochaè

*Album : Rain*

All the remedy

That I found in my lawless

The vivid memory

In which my heart was so foreign

**So show me your vision of me**

**Cause I don't wanna be away**

**So show me your vision of me**

**Cause I don't wanna be away**

**Pour out your spirit like rain**

**(We need you Lord)**

Rain

**Pour out your spirit like rain**

24-7 im vested

Resting though all of my seasons may change

You remain the same

And better days coming because of your grace

**So show me your vision of me**

**Cause I don't wanna be away**

**So show me your vision of me**

**Cause I don't wanna be away**

**Pour out your spirit like rain**

**(We need you Lord)**

Rain

**Pour out your spirit like rain**

We need you Lord

**And I don't wanna be**

Far from you

Loving you

Is all I need

And I don't wanna be

Far from you, Lord

Loving you

Is all I need

Pour out your spirit like rain

(We need you Lord)

Rain

(We wanna see you Lord)

Rain

So Pour out your spirit like

Rain
