Use It Up and Wear It Out - 12" Single Edit

Par Odyssey

Album : The Best of Disco

Shake shake your body down

Oh shake

Shake your body down

Oh shake

Everybody - all you people gather round

And get your body busy move it up and groove it down

We're gonna use it up gonna wear it out

Ain't nothin' left in this whole world I care about

I said one two three shake your body down

(Shake it down to me)

One two three shake your body down to me

(Shake it down to me)

One two three shake your body down

(Shake it down to me)

One two three oh shake

Bussy bodys bodys lookin' good tonight

You got that hungry feelin' for some love and it's alright

It's alright

It's alright

We'e gonna use it up wear it out

Ain't nothin' left in this whole world I care about

I said one two three shake your body down

(Shake it on down to me)

Used it up - wear it out

Ain't nothin' left in this whole world I care about

I said one two three shake your body down

(Shake it down to me)

Do it all night

Do it all night long

Do it all night long

Do it all night

Do it all night long

Gonna use it up gonna wear it out

Ain't nothin' left in this whole world I care about

Gonna used it up gonna wear it out

Ain't nothin' left in this whole world I care about

I said one two three shake your body down

(Shake it on down to me)

One two three shake your body down to me

(Shake it on down to me)

One two three shake your body down

(Shake it on down to me)

One two three oh shake
