Fire

Par Ohio Players

Album : The All Time Greatest R&B of the Last 3 Decades

Hey, now, huh-huh

Hey, hey, hey, no, (Ow, now)

Hey, now, huh-huh

Hey, hey, hey, no

Fire (Uh) Fire (Its all about) Fire (Woo, woo, woo)

Fire

The way you walk and talk really sets me off

To a fuller love, child, yes, it does, uh

The way you squeeze and tease, knocks to me my knees

Cause Im smokin' baby, baby

The way you swerve and curve, really wrecks my nerves

And Im so excited, child, woo, woo

The way you push, push lets me know that you're good

Oh, yeah

Fire (What I said, child, ow)

Fire (Uh-huh)

Got me burnin' burnin' burnin'

Ooh. Ooh, ooh, ooh

Burnin', burnin' baby

Oh, baby

When you shake what you got, and girl, you've got a lot

You're really somethin' child, yes, you are

When you're hot you're hot, you really shoot your shot

You're dyn-o-mite, child, yeah

Well, I can tell by your game, you're gonna start a flame

Love, baby, baby

I'm not gon' choke from the smoke, got me tightenin' up my stroke

Do you feel it, girl, yeah
