Rise (TV Size)

Par Origa

Album : Ghost in the Shell: Stand Alone Complex +

I'm a soldier, meaning that I'm

Both the defendent and the judge

I'm standing on both sides of the fire

Going around turns, overtaking death and life

I'm running to fight with the shadow of a lie

No matter how many threads deception would weave

Truth will show its face of light

Save your tears

For the day

When our pain is far behind

On your feet

Come with me

We are soldiers stand or die

Save your fears

Take your place

Save them for the judgement day

Fast and free

Follow me

Time to make the sacrifice

We rise or fall

I'm a soldier, born to stand

In this waking hell I am

Witnessing more than I can compute

Pray myself we don't forget

Lies, betrayed and the oppressed

Please give me the strength to be the truth

People facing the fire together

If we don't, we'll lose all we have found

Save your tears

For the day

When our pain is far behind

On your feet

Come with me

We are soldiers stand or die

Save your fears

Take your place

Save them for the judgement day

Fast and free

Follow me

Time to make the sacrifice

We rise or fall

After a dream to the edge of a chasm

Only that way can the world be saved

Don't you cry

Hide the tears

Because a new day will start

Your fire

Will be heated

By thousands of hearts

But now get up

Hide the pain and fear far

The one who's right will win

Know that everything is in your hands

Save your tears

For the day

When our pain is far behind

On your feet

Come with me

We are soldiers stand or die

Save your fears

Take your place

Save them for the judgement day

Fast and free

Follow me

Time to make the sacrifice

We rise or fall
