Ela Disse Adeus

Par Os Paralamas do Sucesso

Album : Hey Na Na

(Now the deed is done) ela disse adeus

(As you blink she is gone)

(Let her get on with life)

(Let her have some fun)

(Now the deed is done) ela disse adeus

(As you blink she is gone)

(Let her get on with life)

(Let her have some fun)

Ela disse adeus e chorou

Já sem nenhum sinal de amor

Ela se vestiu e se olhou

Sem luxo mas se perfumou

Lágrimas por ninguém

Só porque é triste o fim

Outro amor se acabou

Ele quis lhe pedir pra ficar

De nada ia adiantar

Quis lhe prometer melhorar

E quem iria acreditar

Ela não precisa mais de você

Sempre o último a saber

(Now the deed is done) ela disse adeus

(As you blink she is gone)

(Let her get on with life)

(Let her have some fun)

(Now the deed is done) ela disse adeus

(As you blink she is gone)

(Let her get on with life)

(Let her have some fun)

Disse adeus e chorou

Já sem nenhum sinal de amor

Ela se vestiu e se olhou

Sem luxo mas se perfumou

Lágrimas por ninguém

Só porque é triste o fim

Outro amor se acabou

Ele quis lhe pedir pra ficar

De nada ia adiantar

Quis lhe prometer melhorar

E quem iria acreditar

Ela não precisa mais de você

Sempre o último a saber

(Now the deed is done) ela disse adeus

(As you blink she is gone)

(Let her get on with life)

(Let her have some fun)

(Now the deed is done) ela disse adeus

(As you blink she is gone)

(Let her get on with life)

(Let her have some fun)

(Now the deed is done) ela disse adeus

(As you blink she is gone)

(Let her get on with life)

(Let her have some fun)

(Now the deed is done) ela disse adeus

(As you blink she is gone)

(Let her get on with life)

(Let her have some fun)

(Now the deed is done) ela disse adeus

(As you blink she is gone)

(Let her get on with life)

(Let her have some fun)

(Now the deed is done)

(As you blink she is gone)

(Let her get on with life)

(Let her have some fun)
