Flying High Again

Par Ozzy Osbourne

Album : Greatest Hits (2cd)

Oh no, oh no

Here we go now, here we go now

Oh no, oh no

Here we go now

Got a crazy feeling I don't understand

Gotta get away from here

Feelin' like I should've kept my feet on the ground

Waitin' for the sun to appear

Momma's gonna worry

I've been a bad, bad boy

No use saying sorry

It's something that I enjoy

'Cause you can't see what my eyes see

(I can see it, I can see it)

And you can't be inside of me

Flying high again

I can see through mountains, watch me disappear

I can even touch the sky

Swallowing colours of the sound I hear

Am I just a crazy guy? You bet

Momma's gonna worry

I've been a bad, bad boy

No use saying sorry

It's something that I enjoy

If you could be inside my head

You'd see that black and white is red

Flying high again

Flying high again

Flying high again

Flying high again

Come on and join me

Flying high again

Flying high again

Flying high again

Come on and join me

Oh no, oh no

Here we go now, here we go now

Oh no, oh no

Here we go now

Daddy thinks I'm lazy he don't understand

Never saw inside my head

People think I'm crazy but I'm in demand

Never heard a thing I said

Momma's gonna worry

I've been a bad, bad boy

No use saying sorry

It's something that I enjoy

Flying high again

Flying high again

Flying high again

Flying high again
