I Don't Want To Change The World

Par Ozzy Osbourne

Album : Greatest Hits (2cd)

Standing at the crossroads, world spinning round and round

Know which way I'm going, you can't bring me down

Don't you try and teach me no original sin

I don't need your pity for the shape I'm in

I don't wanna change the world

I don't want the world to change me

I don't want to change the world

I don't want to world to change me

Tell me I'm a sinner, I got news for you

I spoke to God this morning and He don't like you

For telling all the people the original sin

He says He knows you better than you'll ever know Him

I don't wanna change the world

I don't want the world to change me

I don't want to change the world

I don't want to world to change me

You know it ain't easy

You know it ain't fair

So don't try and please me

Because I really don't care

Don't tell me stories 'cause yesterday's glories

Have gone away, so far away

I've heard it said there's a light up ahead

Lord I hope and pray, I'm here to stay

Tell me I'm a sinner, I got news for you

I spoke to God this morning and He don't like you

Don't you try and teach me no original sin

I don't need your pity for the shape I'm in

I don't wanna change the world

I don't want the world to change me

I don't want to change the world

I don't want to world to change me

I don't wanna change the world

I don't want the world to change me

I don't want to change the world

I don't want to world to change me
