Perry Mason

Par Ozzy Osbourne

Album : Ozzmosis Demos

On his way to dinner when it took him by surprise
And with one pull of the trigger he would vanish overnight
Dancing by the roadside, holding on for dear life
Then a gun from out of nowhere made a widow of his wife

I don't mind

Single file down the runway

Feelin' fine

And I'll see you my friend

Over and over again

Who can we get on the case?

We need Perry Mason

Someone to put you in place

Calling Perry Mason again

Riding painted horses, oh, the kids, they love it so

You can see it on their faces, how they love the wind to blow

Minding my own business, like my mamma always said

But if I don't try to help 'em, they could wind up on the front page

I don't mind

Draw the line, then draw me an arrow

Feelin' fine

Then I'll see you my friend

Over and over again

Who can we get on the case?

We need Perry Mason

Someone to put you in place

Calling Perry Mason again, again

Wake me when it's over

Tell me it's all right

Just keep on talking baby

I've been doing this all night

How much did you give me?

Tell me it'll be all right

Then I'll see you my friend

Over and over again

Who can we get on the case?

We need Perry Mason

Someone to put you in place

Calling Perry Mason again

Again, again, again
