Be Cool

Par Paffendorf

Album : Future Trance Vol. 16 CD2

I want it deep!

If you want it, come and get it!

Oh my God, turn me on!

Be cool!

Honey, you are so cool!

Yeah, God made me cool!

My way or highway

Everybody be cool!

You, be cool! (be cool)

Everybody be cool!

You, be cool!

You, be cool!

Would you do me a favour and push me on to the next level?

Honey, you are so cool!

Yeah, God made me cool!

I want it deep and cool

Everybody be cool!

You, be cool! (be cool)

Be cool!

You, be cool!

You, be cool!
