Cowboys From Hell

Par Pantera

Album : Official Live? 101 Proof

Oh, come on!

Under the lights where we stand tall

Nobody touches us at all

Showdown, shootout, spread fear within, without

We're gonna take what's ours to have

Spread the word throughout the land

They say bad guys wear black

We're tagged and can't turn back

You see us comin'

And you all together run for cover

We're taking over this town

Here we come reach for your gun

And you better listen well, my friend, you see

It's been slowed down below

Aimed at you, we're the cowboys from hell

Deed is done again, we've won

Ain't talking no tall tales friend

'Cause high noon, your doom

Comin' for you we're the cowboys from hell

Pillage the village, trash the scene

But better not take it out on me

'Cause a ghost town is found

Where your city used to be

So out of the darkness and into the light

Sparks fly everywhere in sight

From my double barrel, 12-gauge

Can't lock me in your cage

You see us comin'

And you all together run for cover

We're taking over this town

Here we come reach for your gun

And you better listen well, my friend, you see

It's been slowed down below

Aimed at you, we're the cowboys from hell

Deed is done again, we've won

Ain't talking no tall tales friend

'Cause high noon, your doom

Comin' for you we're the cowboys from hell

Here we come reach for your gun

And you better listen well, my friend, you see

It's been slowed down below

Aimed at you, we're the cowboys from hell

Deed is done again, we've won

Ain't talking no tall tales friend

'Cause high noon, your doom

Comin' for you we're the cowboys from hell, ahhh

Step aside, we're the cowboys from hell
