You And Me

Par Paranormal Attack

Album : Phenomenon

You on that side...

You on that side...

All of you and me...

All of you and me

Lets create a chain

The sound is your support

Me on this side you on that side

Lets shake the ground

Lets do some dust

Kick your feet on the floor

And give it all to music

(2x)

Lets shake the ground

Kick your feet on...

The sound is your...

Kick your feet...

You on that side...

Jump like a psychooooooo...

Jump like a psychooooooo...

Jump like a psychooooooo...

Jump like a psychooooooo...

Jump like a psychooooooo...

(many times)

All of you and me

Lets create a chain

The sound is your support

Me on this side you on that side

Lets shake the ground

Lets do some dust

Kick your feet on the floor

And give it all to music

Jump like a psychooooooo...

Jump like a psychooooooo...

Jump like a psychooooooo...

Jump like a psychooooooo...

Jump like a psychooooooo...

Jump like a psychooooooo...
