Spoonful

Par Paul Butterfield Blues Band

Album : Original Lost Elektra Sessions

Well, it could be a spoonful of coffee

Could be a spoonful of tea

Just a little spoon of your precious love

Good enough for me

I'm just wild about that

I'm just crazy 'bout that

I'm just wild about that

Everybody talkin' 'bout

That spoon, that spoon, that

That spoon, that spoon, that

Well, it could be a spoonful of diamonds

Could be a spoonful of gold

Just a little spoon of your precious love

Satisfy my soul

A man lies about that

Man cries about a little

Man dies about a little

Everybody fightin' about it

That spoon, that spoon, that

That spoon, that spoon, that

Well, it could be a spoonful of water

Save you from the desert sand

Just a spoon of lead from a.45

Save you from another man

I'm just wild about that

I'm just crazy 'bout that

You know I'm wild about that

Everybody talkin' 'bout

That spoon, that spoon, that

That spoon, that spoon, that

Well, it could be a spoonful of coffee

It could be a spoonful of tea

Just a little spoon of your precious love

Good enough for me

A man lies about a little

Man cries about a little

Man lies about a little

Everybody fightin' about it

Everybody fightin' about it

Everybody fightin' about it

Everybody talkin' 'bout it

Everybody crazy 'bout it

Oh, everybody talkin' 'bout it

That spoon, that spoon, that

That spoon, that spoon, that

That spoon, that spoon, that spoonful

Spoon, that spoon, that spoonful

Spoon, that spoon, that spoonful
